

## **GAUTHIER'S COVID SAFETY MEASURES**

- Markings representing 6 feet in distance are set up in the main hallway for social distancing.
- A screen and temperature check will be completed by Gauthier's or a representative of Gauthier's in the main hallway prior to entering the dojo.
- A touch less sanitizer dispenser is on the wall outside the dojo and sanitizer must be used prior to entering the dojo.
- The dojo and 2 hallways will be disinfected using Government of Canada recommended cleaning products. All areas will be disinfected prior to class, between all classes and at the end of the evening. The 2 attack dummies in the dojo will be sanitized after each use.
- Marks have been made on the dojo matt's to indicate each student's specific training area. Students will be encouraged to stay within that area during class unless told otherwise by a Sensei. Students are approximately 6-7 feet away from their closest class mate and the maximum amount of students allowed per class is now 8.
- The windows will remain open as weather permits and fans will also be running.
- Gauthier's will continue to have the dojo cleaned by an outside source once a week.

**THE HEALTH AND SAFETY OF OUR STUDENT'S, THEIR FAMILIES  
AND OUR SENSEIS ARE OUR UTMOST CONCERN.**

**WE WILL CONTINUE TO MONITOR THE COVID 19 SITUATION  
DAILY AND MAKE ANY REQUIRED ADJUSTMENTS IMMEDIATELY.**
